COACHING PHILOSOPHY

WORK WITH A HIGH LEVEL OF STANDARDS

Discipline, competitive, hard work and concentration while paying attention to details

PLAY HARD AND SMART ON DEFENSE

By taking away individual strengths and breaking the opponent down

CREATE AN ADVANTAGE AND USE THAT ADVANTAGE ON OFFENSE

By attacking in transition, creating outnumbered situations while focusing on timing, spacing and execution

WIN THE REBOUND ON BOTH ENDS OF THE FLOOR

Finish possessions with 5 on defense and 3 players going to the offensive rebound
